employees, etc. etc. is under consideration of the Government as a result of revision of the scales of pay on the recommendations of Fourth Pay Commission. Pending such review in respect of persons continuing in posts held prior to 1.1.1986 whose pay may be fixed in the revised scales of pay, pay for the purpose of above allowances for which no specific orders have been issued by the Govt. will be the 'pay' that would have been drawn but for fixation of pay in the revised scale. In the case of persons who are either appointed to different posts on or after 1.1.1986 or initially recruited on or after that date, the 'notional' pay which they would have drawn in the pre-revised scales, but for the introduction of the revised scales, should be taken into account, for drawal of these allowances.
