STAFF INSPECTION UNIT

The Staff Inspection Unit (SIU) was set up in 1964 with the objectives of securing economy in the staffing of Government organizations consistent with administrative efficiency and evolving performance standards and work norms in Government offices and institutions wholly or substantially dependent on Government Grants. The Scientific and Technical Organizations are not within the purview of the SIU but a Committee constituted by the Head of the respective Department, with a representative from SIU as a Core Member, conducts study of such organization.

The Financial Advisors are main links between the SIU and the Ministries/Departments/Offices/Organizations. All requests for staffing studies by SIU are routed through the concerned FAs. The study reports are issued after discussion with the management of the organization studied and are regarded as mandatory required to be implemented by the concerned organization stipulated period i.e. within three months.

The SIU conducts its physical inspection/study of the various Central Government Organizations, autonomous bodies working under the Ministries/Departments. Of Central Government after obtaining a request from the Financial Adviser of the concerned Ministry/Department. The studies are taken up in an Annual programme before conducting the studies after due laid down procedures.
